88 AUDIT COMPLETION REPORT

The Audit and Assurance (Public & Social Sector) Manager, Mazars presents the Audit Completion report which outlined that the Audit was substantially complete, with only a small number of areas still outstanding that are actively being worked on to complete, the main item being the consolidation of PSPS until the Council's accounts.

The following areas were also covered in the report;

- Materiality level – the Councils final materiality level being set at £970,000
- Conclusions of work on the Councils significant risks which had been identified and reported to the Committee as part of the audit strategy memorandum earlier in the year.
- Noted deterioration in the quality of the Councils draft financial statements and associated working papers for the year.
- A summary of the misstatements – with two unadjusted misstatements being noted.

Members raised concerns relating to the issues that had been raised in previous reports. It was explained that some working papers had been prioritised over the others, all working papers were looking to be aligned as soon as possible.
