**A planning decision comes into effect only when the decision notice and associated documents are despatched by the Local Planning Authority and not when the Committee makes its decision.**

## **The Human Rights Act 1998**

It is implicit in these reports that the recommendations to and the consideration by Committee will take into account the Council's obligations arising out of the Human Rights Act and the rights conferred by Articles 6,8,14 and Article 1 of the First Protocol of the European Convention on Human Rights (ECHR). These are the rights to a fair hearing, respect for family and private life, the prohibition against discrimination and the peaceful enjoyment of possessions, respectively. The ECHR allows many to be overridden if there is a sufficiently compelling public interest.

In simple terms the Act requires a person's interest be balanced against the interests of the community. This is something that is part of the planning system and that balancing is a significant part of the consideration of issues identified to Committee by officer reports. Provided that those issues are taken into account, the Convention will be satisfied.
