The work programme for 2021/22 is attached to the report at Appendix A. Members may take the opportunity to put forward potential items for the Committee's scrutiny for discussion at the meeting. In addition, the current Forward Plan is attached at Appendix B to assist with Members' deliberations.

Quarter 1 Performance Monitoring is scheduled for the next meeting on Tuesday 26 October 2021.

That Committee members consider the work programme attached at Appendix A and consider if any future scrutiny is necessary on any subject identified. All members may request a report on any subject matter pertinent to this committee's remit directly to the Chairman or the clerk.

REASONS FOR RECOMMENDATIONS
