| DATE | DAY | TIME START | TIME FINISH | REMARKS |
|----------------------|-----|------------|-------------|--|
| 14 th Aug | Sat | 00:39 | | Feign with group of youths One running down church lane. Young male knocked out left laying on cobbles Various folk attend to assess including myself |
| | | 01:09 | | Police van and car arrive both ends of church street and young man removed by police from church keys where he had been taken in |
| | | | | directly Cannot attribute disturbance to Assembly Rooms as Skump and Candle, Britannia and Church keys all still open serving alcohol <u>BUT</u> this is first such trouble since today ended and <u>only</u> since Assembly Room opened |
| | | | | loud bass thumping sound evident throughout and continued to disturb me until eventually I fell asleep exhausted - completely ruining my weekend |
