Fees for Planning Performance Agreements are negotiated on a case-by-case basis. The charges incurred are to be negotiated between the Council and the development proposer, following an initial understanding of both the scheme and the resource implications.

The Council will seek to recover costs associated with the resourcing of the agreement (such as Officer time) and including fees incurred from specialists within and external to the Council as may be required. In addition, the fees will cover administration of the agreement, but may exclude the costs associated with drawing up or signing the agreement depending on whether this is undertaken by the Council or the proposer.
