The Licensing Authority

Boston Borough C^t
 Municipal Bldg
 Boston

Sir / Madam

I object to the granting of
 licence for the sale of alcohol,
 and dancing, in Central Park in
 June and July, on the grounds of
 noise nuisance and public disorder
 likely to emanate).

Why is your notice only in English?
 Many residents likely to be badly
 affected as myself would not have the
 language. Yours faithfully [REDACTED]

PPS wildlife in the park has still
NOT returned to normal, nor some residents'
(nearby) health and the health of their
pets, with noise nuisance from The Boston
Fair
