The Licensing Act 2003 requires that the Licensing Sub-Committee determine an application where any relevant representations have been received.

The Licensing Sub-Committee must determine the application, in accordance with the Licensing Act 2003, having regard to the guidance issued under Section 182 of the Act and the Licensing Authority's Statement of Licensing Policy.

It is recommended that the Sub-Committee take into account all evidence and information received from the interested parties and the applicant and determine this matter.

The Sub-Committee must, having regard to all information presented, take such steps as considered appropriate for the promotion of the licensing objectives. These steps are set out in the Licensing Act 2003 Section 18 (4) as follows:

- To grant the licence, subject mandatory conditions and conditions in the operating schedule;
- To grant the licence with modified conditions;
- Exclude from the scope of the licence any of the licensable activities to which the application relates;
- To refuse to specify a person in the licence as the premises supervisor
- To reject the application.

The Sub-Committee must give full reasons for its decision.

REASONS FOR RECOMMENDATIONS

Section 18 (3) of the Licensing Act 2003 requires that

“3. Where relevant representations are made, the authority must –

a. hold a hearing to consider them, unless the authority, the applicant and each person who has made a representation agree that a hearing is unnecessary, and

b. having regard to representations, take such of the steps mentioned in subsection 4 (if any) as it considers necessary for the promotion of the licensing objectives.

A copy of the application is attached at **APPENDIX 2**.

2.4 In submitting the application the applicant is required to describe any steps intended to be taken to promote the four licensing objectives, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

2.5 The steps the applicant intends to take to promote the licensing objectives, should the licence be granted, are in accordance with the operating schedule at section M of the application. Steps identified at part M are appended to a granted licence as conditions with which a licence holder must comply.

3. CONSULTATION

- 3.1 The Licensing Act 2003 requires that the applicant send a copy of their application to the responsible authorities and post a notice in a local news publication, providing the details of the application. They must also post a copy of the notice in a prominent position outside the premises for 28 consecutive days starting on the day after the application is received by the Licensing Authority. The Council must also post notice of the application on their website. It is confirmed that these requirements were complied with.

4. RELEVANT REPRESENTATIONS

- 4.1 A Responsible Authority or other person may submit a representation during the 28 day consultation period.
- 4.2 The Licensing Act 2003 states that relevant representations mean representations which are about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Only parts of a representation that are relevant to the application and its impact on those objectives may be considered.
- 4.3 Relevant representations have been received from a number of persons other than a responsible authority and a copy of those representations is attached at **APPENDIX 3**.
- 4.4 A party who has submitted a representation may choose to rely on their written submission or may attend the hearing to put their representation to the Sub-Committee. At the hearing the party may not add further representation to that disclosed to the applicant but may expand on the existing representation.

5. CONSIDERATIONS

- 5.1 The application must be considered on its own merits; standardised conditions cannot be applied.
- 5.2 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what would be suitable to achieve that end. Whilst this does not require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the Premises Licence holder as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the Sub-Committee ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the licensing objectives and nothing outside of those parameters. The Sub-Committee must come to its determination based on an assessment of the evidence of both the risks and benefits either for or against making the determination.
- 5.3 When considering the evidence the Sub-Committee must satisfy themselves whether or not the licensing objectives would be promoted as the application stands. The Sub-Committee must have regard to evidence, not speculation. In the case of a new application/new premises, the history and makeup of the site (and surrounding area) and the history of the applicant will be relevant, if sufficiently evidenced.
- 5.4 The Sub-Committee should seek to focus the hearing on the relevant parts of representations only and the steps considered appropriate to promote the particular licensing objective(s) that

have given rise to the representations and avoid straying into undisputed areas. Any matter which is not about the likely effect of the grant of the licence on the promotion of one or more of the four licensing objectives is not, in accordance with the Licensing Act 2003, relevant and therefore cannot be considered.

5.5 Conditions on a premises licence are important in setting the parameters within which premises can lawfully operate. The use of wording such as “must”, “shall” and “will” is encouraged. If consideration is given to attaching or amending conditions, they:

- Must be appropriate for the promotion of the licensing objectives;
- Must be precise and enforceable;
- Must be unambiguous and clear in what they intend to achieve;
- Should not duplicate other statutory requirements or other duties or responsibilities placed on the licence holder by other legislation;
- Must be tailored to the individual type, location and characteristics of the premises and events concerned;
- Should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- Should not replicate offences set out in the 2003 Act or any other legislation;
- Should be proportionate, justifiable and capable of being met;
- Cannot seek to manage the behavior of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behavior of customers in the immediate vicinity of the premises or as they enter or leave; and
- Should be written in a prescriptive format.

5.6 In determining the application, in accordance with the Licensing Act 2003 and with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- The Licensing Authority’s Statement of Licensing Policy. Relevant extracts of which are attached at **APPENDIX 4**.
- The statutory guidance issued under section 182 of the Licensing Act 2003. Relevant extracts of which, are attached at **APPENDIX 5**.

6. Human Rights & Equalities

6.1 In determining the review the Sub-Committee should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Human Rights Act it is unlawful for a public authority to act in a manner which is incompatible with the European Convention on Human Rights.

6.2 When determining the application the Sub-Committee should be satisfied that any decision which interferes with the rights of the licence holder, or of any other person, only does so insofar as is necessary to protect the rights of others and that no alternative decision would be more appropriate.

6.3 The Sub-Committee, in its decision-making, must have due regard to its public sector equality duty under section 149 of the Equality Act 2010. A copy of section 149 of the Act is attached at **APPENDIX 6**.

7. Appeal

- 7.1 The applicant for review and/or the holder of the premises licence may appeal the decision made by the Sub-Committee to the Magistrates Court. Any appeal must be made within 21 days of the day on which the appellant is notified, in writing, by the Licensing Authority of the decision to be appealed against.
- 7.2 The hearing determination does not take effect until the end of the period for appealing against the decision or, if the decision is appealed against, until the appeal is disposed of.
