1	Economic hardship	AD: Wellbeing & Community Leadership	The risk of economic hardship to local people	Increase in wholesale energy costs; Supply chain issues; Continuing impact of Covid-19; High rents and low wages; Housing supply, affordable housing and standards issues; Inflation; Fuel shortages; Ukraine conflict	Economic hardship; Fuel poverty; Poor housing; Homelessness; Isolation and lack of opportunities.	Taking action to improve housing standards; Working with local landlords; Support to local people on budgeting, training and jobs; Political pressure on the government to address fuel bills nationally. Homes for Ukraine Host Property Inspections to ensure decent standard and properties not overcrowded.	3	4	High (12)	
2	Health	AD: Wellbeing & Community Leadership	The risk of long term health issues on local people; the opportunity to work with health partners to address these	Long term health issues in the local population; Deprivation; Local perceptions; Apathy. Migration Population through influx of asylum seekers	Poor health outcomes; Increased costs to local health services; Unsustainable health services.	The opportunity to work with health partners to address long term health issues and deprivation, to raise awareness and promote good health, to support the sustainability of local health services Close working with LCC Public Health to ensure appropriate treatment measures are carried out.	3	3	Medium (9)	
3	Local economy	AD: Economic Growth	Risk to local businesses, lack of growth, lack of inward investment and tourism; opportunity to encourage growth and stimulate the local economy; good community relations	Continuing impact of Covid-19 on businesses and the local economy; Increasing costs, including fuel costs; Lack of buses, particularly in rural areas, and increasing costs of travel	Struggling/failing local businesses; Stagnating local economy; Lack of inward investment; Low skills and aspirations; Low visitor numbers; Future sustainability of the Town Centre - retail, evening economy, housing, heritage, culture, leisure, events, car parking; Community perceptions.	Town Deal and Levelling Up projects EP Team represented on County Wide LRF Group looking at issues of winter pressures / cost of living and industrial action.	3	3	Medium (9)	
4	Sustainability	AD: Regulatory	Risk to the environment and future sustainability	Carbon emissions; Climate challenge; Need to find the balance between sustainability and pay back; Need to find the balance between education and enforcement.	Impact on future sustainability; Impact on value for money; Reputational risk of failing to lead by example.	Carbon Reduction Action Plan approved. Climate Change Strategy approved. Green Home Grants are in delivery. Minimum energy efficiency standards project beginning in January 2023.	2	3	Medium (6)

6	Budget	AD: Finance	Risk around the long term balancing of the budget with economic and funding uncertainty	Reduction of government funding; Reduction in income; Capital expenditure; Impact of Internal Drainage Board (IDB) levy; Inflation; Fuel shortages; Ukraine conflict	Lack of money and lack of certainty going forward; Failure to balance budget in future years	Medium Term Financial Strategy; Budgetary process; Sound level of reserves Continued close monitoring	3	5	High (15)	
8	Civil contingency risks	AD: Regulatory	Community risks shared across Lincolnshire, managed in partnership with the Lincolnshire Resilience Forum (LRF)	Impact of Covid19; Influenza type disease; East coast flooding; Inland flooding; Severe weather; Fuel shortages; Loss of critical infrastructure; Animal disease; Environmental pollution and industrial accidents; Transport accidents; Business Continuity incident.	Failure in service delivery; Impact on local people; Reputational damage; Detrimental economic impact on business.	Community Risk Register monitored by the Lincolnshire Resilience Forum (LRF); Work with partners to assess, monitor and plan for these risks together. Exercising of plans and training of staff.	2	4	Medium (8)	
9	Infrastructure risks	AD: Economic Growth	Risks to infrastructure - roads, rail, waste management, water supply, energy, digital connectivity	Lack of investment, upgrade and development into infrastructure, broadband/digital connectivity, highways/public transport; Increased demand on infrastructure from population growth and rapid urbanisation	Impact on health, the economy and businesses; Opportunity to generate employment and boost living standards; Opportunity to encourage inward investment.	Sub-regional focus and briefings; Support with the evolution of ideas and solutions; Scrutiny Committee looking at the theme of highways/public transport.	2	4	Medium (8)	
10	Capital Programme	AD: Programme Delivery	Failure to deliver Major capital schemes within the capital programme	Escalating costs Onsite Issues Grant funding withdrawal Non-compliance of grant funding obligations Insufficient Pre-project planning and specs (Brief-Creep) Partners withdrawal	Reputational Damage Financial impact Failure to deliver council objectives Reduced ability to secure future funding	Robust programme and project management Regular and structured reporting mechanisms Robust and effective governance (financial and project) Effective working with partners and 3rd Party delivery Risk transferrance and mitigation	2	3	Medium (6)	New strategic risk identified following review across the Partnership
11	Externally Funded Schemes	AD: Programme Delivery	Failure to deliver externally funded capital schemes	Escalating costs Onsite Issues Grant funding withdrawal Non-compliance of grant funding obligations Insufficient Pre-project planning and specs (Brief-Creep) Partners withdrawal	Reputational Damage Financial impact Failure to deliver council objectives Reduced ability to secure future funding	Robust programme and project management Regular and structured reporting mechanisms Robust and effective governance (financial and project) Effective working with partners and 3rd Party delivery Risk transferrance and mitigation Requesting extra funding prior to project commencement where required	2	4	Medium (8)	New strategic risk identified following review across the Partnership

12	General Fund Assets	AD: Assets	This risk identifies the need for the council to adhere to all prevailing statutory codes as they relate to council assets and functions		Failure to meet statutory requirements in regard to general fund assets	The asset team have compiled a working list of assets that either have compliance contracts in place or we have local contractors with the jobs in hand. A spreadsheet has been created and a considerable amount of time has been spent updating it ready so we can add to the new database of Technology Forge. The restructure has taken place so we now have the SOPM (Strategic & Operational Property Manager) for budget management, meetings job criteria and Strategic Property acquisitions and sales. This role encompasses the day to day running of the asset team. The Estates Officer for lease arrangements, new tenants, site management and all tenant referrals including day to day issues. Repairs officer - For day to day repairs and allocation of work required in conjunction with liaison via the Estates Officer and SOPM. The Project Manager role is also now defined and runs all medium and major projects for the team. The BSO (Business Support Officer) is a new temporary role which monitors jobs coming in and is also a hands-on role that ultimately saves the Council budget money by undertaking jobs ourselves. The SOPM would be the Senior Responsible Person for the Assets and Compliance routines. Training takes place on a required basis. Asbestos training being the last training of significance that was undertaken by the team	1	4	Low (4)	New strategic risk identified following review across the Partnership
13	Cyber Incident	AD: Corporate	The risk of the council's ICT infrastructure being severely impacted as the result of a cyber incident, both in terms of downtime of systems and loss of data/information.	The threat landscape across the UK is continuously increasing and appears on the national risk assessment. The Council need to constantly adapt in its security mitigation and training to ensure they are both prepared from a technical and from a people aspect	Theft of corporate information theft of financial information (eg bank details or payment card details) theft of money disruption to service provision loss of business or contract loss of trust in customers/residents and partners	Defence in depth in the form of firewalls, Mimecast and antivirus is deployed both at the perimeter and the internal Local Area Network. The ICT team play an active part in the East Midlands WARP (Warning, Advice and Reporting Point) which allow us to have early sight of issues being experienced across neighbouring Authorities and Agencies. ICT is also a member of the CISP formed by the National Cyber Security Centre, this allows us early awareness from the central agency responsible for cyber threats across the UK as well as allowing them to monitor our environment to a degree. These mitigations afford ICT awareness of emerging threats With respect to this risk, PSPS has been successful in its application for a grant from DLUHC on behalf of EL, SH and BBC to improve the security posture of the Councils. The maximum grant of £175,000 has been secured. There are several caveats around the award and its use which we will need to adhere to as we develop and implement the action plan.	3	5	High (15)	Strategic risk in its own right (previously under the service delivery risk heading)

14	Technology infrastructure failure	AD: Corporate	The loss of ICT impacting upon the organisation to operate effectively and deliver services to residents.	Human error, Power failure, Security, Hardware, Link failure	The Council relies heavily on the ICT infrastructure for normal business operation. Whilst resilience is built into the environment, the loss of a service is always possible. Depending on the service lost, the impact could be severe	<p>The Council has a series of resilience arrangements in place through its service provider, PSPS. Work is continuous to ensure these are fit for purpose across a range of areas.</p> <p>In recognition of the outage of the Internet connection in September, PSPS considered an elevated risk score, however an outage does not mean the likelihood of reoccurrence is any greater, therefore whilst it may have been elevated at that given time, the overall rating remains the same for the period of this risk register.</p> <p>In relation to this a Major Incident review has been conducted and is in the process of being shared with the ICT Strategy Board, SLT and Portfolio Holder. This review considers resiliency options that may be used to lower the risk scoring in the future. These options were previously considered in 16/17 by the then SHDC Strategic ICT Manager and corresponding Executive Director and were considered cost prohibitive when reviewed against likelihood.</p>	2	5	High (10)	Strategic risk in its own right (previously under the service delivery risk heading)
