**1. BACKGROUND**

**1.1** The purpose of the Combined Assurance Status Report (Appendix A) is to produce a record of assurance against the Council's critical services, key risks, partnerships and projects.

**1.2** It provides an overview of assurance across the Council making it possible to identify where assurances are present, their source and where there are potential 'unknowns or gaps'. It offers a triangulated view of assurance with opinion provided by management, corporate and/or third party assurance and Internal Audit. The Combined Assurance Report is produced annually and this report covers the year 2022/23.

**1.3** The report details the methodology that was used and the levels of assurance identified. The assurance assessment, as explained in the report, is based on the 'three levels of assurance' model. By conducting this work, the Council is in a position to be able to identify where it needs to obtain further assurance and at what levels.

**1.4** The findings will be used to focus on areas of improvement and to inform the Internal Audit Workplan 2023/24 and the Council's Annual Governance Statement for 2022/23.

**2. CONCLUSION**

**2.1** The findings will be used to focus on areas of improvement and helps to inform the Internal Audit workplan 2023/24 and the Council's Annual Governance Statement for 2022/23.
