

## RECORD OF OFFICER DELEGATED DECISIONS

TITLE:	Section 113 – Extension of Current Partnership Sharing Arrangements for two Programme Delivery posts – the Programme Delivery Manager and Programme Delivery Officer.		
DECISION:	To continue to place at the disposal of Boston Borough Council and East Lindsey District Council two South Holland District Council employed postholders, the Programme Delivery Officer and Programme Delivery Manager via temporary Section 113 Notices from SHDC to BBC and ELDC		
DECISION MADE BY:	Chief Executive (Head of Paid Service)		
DATE DECISION MADE:	16 <sup>th</sup> April 2026		
REASON FOR DECISION:	<p>These two postholders currently work across the three Council's whilst in the employment of South Holland District Council covering large, mainly grant funded, capital projects.</p> <p>The existing temporary Section 113 arrangements require an updated decision so these arrangements that work well across the partnership, can continue.</p> <p>A Section 113 agreement allows the postholders to act as if they are staff of all Councils to work across the many activities needed for the management of successful capital projects. These roles are vital to deliver a range of projects across the partnership, ensure decisions are made timely and the current partnership wide resourcing arrangements for a large programme of capital projects can continue.</p>		
DETAILS OF ANY ALTERNATIVE OPTIONS CONSIDERED:	The work delivered by these Officers is vital to the continuation of the project delivery and therefore there are no alternative options available at this time		
FINANCIAL IMPLICATIONS OF DECISION:	<p>Costs are funded from existing capital projects the majority of which are externally grant funded.</p> <p>The costs of sharing have been included as part of the approved Capital Programme forming part of the individual Budget for each of the 3 councils with all costs for Boston Borough Council being covered against individual project capital allocations on a time charge basis.</p>
