

APPENDIX A – Public Consultation

OUTDOOR GYM AND TRIM TRAILS

Consultation took place with the public on both sites and the outcomes were:

St John's

73% want outdoor gym equipment and trim trails

Burgess Pit

70% want outdoor gym equipment and trim trails

Following the request from BTAC to investigate the cost of four projects of two outdoor gym areas and two trim trails on two sites which were St John's Park and Burgess Pit, five site visits took place by different providers:

Freshair Fitness, Proludic, Great Outdoor Gym Company, HAGS and Kompan.

All quotes came in at £10,000 for each project.
