

PROPOSED REMOVAL OF BT PAYPHONES

AN ITEM TO BE PRESENTED BY THE CHAIRMAN

The Council received a consultation from BT in relation to proposals to remove 8 payphones in the Borough. Three of these payphones are within the BTAC area.

The Council has carried out consultation with local groups and given consideration to any representations received. The first notification has been prepared and sent to the Secretary of State for Digital, Culture, Media and Sport.

There is now a further consultation prior to a final notification being issued to the Secretary of State before the close of the consultation on 12th December 2019. Any comments must be received by the Development Management Department in writing by 17:15 on 6th December 2019.

The Council's draft response is attached with those payphones within the BTAC area highlighted in yellow.
